Effective Date: February 1, 1997

Cancels:

Page: 1 of 1

Subject: COMPRESSOR PARTS OBSOLESCENCE

The following part numbers will be obsoleted as of February 1, 1997:

Part Number	Description
214171	Strainer Support
201030	Drop Elbow Casting
212765	Drop Elbow Casting

Customers will have an opportunity to do a last time buy on these parts. Please contact your respective service plant for availability.

Please make necessary obsolescence changes to your service parts price lists (BW1467 and BW1469 U.S. and BW1542 and BW1543) and advise your customers accordingly.
